CAREER OBJECTIVE

I am a motivated and detail-oriented MCA student with strong programming, web development, and database skills.. My passion for continuous learning and teamwork drives me to deliver robust software solution

EDUCATION

DEGREE	INSTITUTE	YEAR OF PASSING	CGPA/PRECENTAGE
MCA	RIT ,ISLAMPUR	Appearing	9.25
BCA	S.G.M,KARAD	2024	8.00
HSC	S.K.P,AMBAK	2021	70 %
SSC	T.R.V,TADASAR	2019	82 %

CERTIFICATIONS:

*AWS AI-ML Virtual Internship. | *Python & Java Courses completed on Coursera /Udemy.. | *Cybersecurity Virtual Internship.(Ongoing)

LANGUAGES: English , Sanskrit(Intermediate),Hindi,Marathi

PROJECTS:

- Bhagavad Gita Course Website 08/2023 - 02/2024

Bhagavad Gita Course Website ,Built a spiritual e-learning platform using HTML, CSS, JavaScript, PHP & MySQLIntegrated course registration, content modules, and admin management features .(unique)

- Expense Tracker System 04/2023 - 05/2023

Expense Tracker System Developed using Java and Object-Oriented Programming (OOP) Added, removed, and updated daily expenses with automatic total calculation Used relational operators to compare and highlight the highest expense day Helped users track daily spending and manage budgets effectively

- AI Game Bot: 05/2024 - 06/2024

Train an AI to play a game using NEAT or reinforcement learning. This shows both problem-solving and AI/ML skills. This project implements an AI bot that learns to play the Flappy Bird game . The game is built using the Pygame library for the GUI and real-time game logic, while NEAT-Python handles the evolution of the AI bird's brain using genetic algorithms.

TECHNICAL SKILLS:

Programming Languages	Java, Python,C,C++
Web Development	HTML, CSS, Java Script (Basic)
	MySQL
Others	AWS, , Google Docs ,Microsoft Office,Excel, Gmail

STRENGTHS

Analytical Skills,Quick learner with strong analytical mindset,Team Collaboration,Effective team player with leadership

KEY ACHIEVEMENTS:

Achievements in Sports and Event Management| Demonstrated leadership as a District-Level Kho-Kho Player and|organized tech and cultural events at RIT & SGM Karad.

INTERESTS: Spirituality and Event Coordination,Dedicated to continuous learning and team collaboration, actively participates in spiritual events.
